

## ACKNOWLEDGMENTS

This investigator is indebted to many individuals for their assistance, guidance, and inspiration throughout the course of this study. Special thanks and deepest appreciation is extended to each member of the doctoral committee; namely, Dr. Wilson I. Gautier, Chairman; Dr. John Andes; Dr. Laddie R. Bell; Dr. Michael S. Tseng; and Dr. Stanley Wearden for their invaluable assistance, suggestions and encouragement throughout the course of this study, also for serving on my examining committee.

To my chairman, Dr. Wilson I. Gautier, go my special tanks and deepest appreciation for his aid, guidance, direction, encouragement, suggestion, correcting of manuscripts, constructive criticism, and other invaluable assistance throughout the study. Also, to Dr. Michael S. Tseng, go my special thanks and deepest appreciation for his aid, guidance, direction, encouragement, suggestion, correcting of manuscripts, helping in the statistical analysis and computer programming, and other invaluable assistance throughout the study.

Appreciation is expressed to Dr. Archara Wongsotorn a Thai National for her hours spent in the approval and correcting of the CUES Thai version.

An expression of thanks is given to Mrs. Cheryl Fries for the use of her typing skills.

This writer also expresses special thanks and deepest appreciation to Mrs. Suvarnee Mangalaburks, the President of Krirk College's Committee, for her support throughout the study.

This author will always be especially grateful to his family for their many sacrifices, and their continued support, without which this study could not have been completed. Special thanks and gratitude go to my wife, Benjamas, for her continuing love and devotion; also, thanks are expressed to my brothers and sisters for their love, assistance, and encouragement; and especially to Mr. Sanan Monpopan, my brother; and finally to my father, whose influence meant so much to me in my professional studies, and who sadly passed away while I was studying in the United States of America.
