

List of Tables

| Table | | Page |
|-------|---|-------|
| 1 | Distribution of Grade 3 Pupils by Type of School. and Test Scores | 30 |
| 2 | Distribution of Grade 3 Pupils by Region and Test Scores | 31 |
| 3 | Distribution of Grade 3 Pupils by Occupation of Father and Test Scores | 32 |
| 4 | Distribution of Grade 3 Pupils by Location of Residence and Test Scores | 33 |
| 5 | Regression Equations for Grade 3 Achievement with School Inputs Enter Prior to Home Inputs | 34 |
| 6 | Regression Equations for Grade 3 Achievement with Home Inputs Enter Prior to School Inputs | 35 |
| 7 | Mean and Standard Deviation of Variable in the Grade 3 Achievement Equations | 36 |
| 8 | Regression Equation for Teacher's Test Scores | 37 |
| 9 | Matrix of Correlation Coefficients of Variables in the Grade 3 Pupil Sample | 38-39 |
| 10 | Distribution of Students by Institutions and Type of MS.5 School | 41 |

List of Tables(Cont.)

| Table | | Page |
|-------|--|-------|
| 11 | Distribution of Students by Institutions and Type of MS.5 school (the 1976 graduates in the academic stream from the formal school system) | 42 |
| 12 | Distribution of Students by Institutions and Father's Occupation | 43-44 |
| 13 | Distribution of Students by Age, Sex and Race | 45 |
| 14 | Distribution of Student By Institution and MS.5 Grade | 46-47 |
| 15 | Distribution of Students by Father's Occupation and MS.5 Grade | 48-49 |
| 16 | Distribution of Students By Education of Mother and MS.5 Grade | 50-51 |
| 17 | Distribution of Students by Region and MS.5 Grade | 52 |
| 18 | Determinants of Average Teachers' Salaries | 53 |
| 19 | Regression Equations for the MS.5 Grade With Home Inputs Enter Prior to School Inputs | 54 |
| 20 | Regression Equations for the MS.5 Grade With School Inputs Enter Prior to Home Inputs | 55 |
| 21 | Means and Standard Deviations of Variables in the MS.5 Sample | 56 |
| 22 | Matrix of Correlation Coefficients of Variables in the MS.5 Sample | 57 |
