

Abstract

Annotated Bibliography on the Thai Economy 1957-1982

Volume Six : Economic Development

This is a part of the research report on Annotated Bibliography on the Thai Economy 1957-1982. This report, Volume Six, is a collection of published materials during 1957-1982 on economic development. It is found that there are 924 items of relevant publications with 352 items in Thai and 572 items in English. From 924 items only 460 items (or 49.8%) were selected for annotation (see Tables 1 and 2). There are four types of classification of academic works in this report : books, articles, documents, and theses. Both the author and the subject indices are provided.

Table 1

Number of Academic Works on Economic Development

Classified by Type of Work

1957-1982

Classification of Academic Works	Number of Items Selected for Annotation	Number of Items Not Selected for Annotation	Total
1. Books	81	30	111
2. Articles	218	189	407
3. Documents	137	207	344
