

LIST OF APPENDIX TABLES

Table		Page
4.1	Source of Data Used on Building Synthetic Rice Mill Models .....	187
4.2	Number and Cost of Miscellaneous Equipment .....	190
4.3	Annual Depreciation by Item of Miscellaneous Equipment	191
4.4	Monthly Cost of Labor per Crew for Synthetic Rice Mills by Duties and by Systems .....	192
4.5	Monthly Variable Cost of Synthetic Rice Mills by System at Assumed Utilization .....	193
4.6	Average Proportion Variable Cost of Synthetic Rice Mills by System and by Function .....	194
4.7	Average Non Proportion Variable Cost of Synthetic Rice Mills by System at 25, 50, 75 and 100 percent Utilization .....	195
4.8	Average Total Cost of Synthetic Rice Mills by System at 25, 50, 75 and 100 percent Utilization .....	196
4.9	The Average and Adjusted Milling Ratio, Milling Grade of System 13, 7, 20, 12, 14, 16, 19, and Estimated, System 5+6 .....	197
4.10	The Board of Trade Wholesale Price of Rice (The average of one week in 1974, 13-19 August) .....	198
4.11	Assumed Average Revenue for Trade Synthetic Rice Mills, System 5+6, 7, 12, 14, 16, 19 .....	199
4.12	Assumed Average Revenue for Service Synthetic Rice Mills, System 5+6, 7, 12 .....	199

LIST OF APPENDIX TABLES

Table		Page
4.13	Assumed Average Revenue for Service Synthetic Rice Mills, System 2, 3, 4, 8 .....	200
4.14	Average Profit of Synthetic Rice Mills by System and by Function at 25, 50, 75 and 100 percent Utilization	201
4.15	The Monthly Total Cost of Synthetic Rice Mills by System and by Function at 25, 50, 75 and 100 percent Utilization .....	202
4.16	The Monthly Profit of Synthetic Rice Mills by System and by Function at 25, 50, 75 and 100 percent Utilization .....	203
4.17	Average Fixed, Variable and Total Cost of Synthetic Rice Mills by System at Assumed Function and Utilization .....	204
4.18	Monthly Profit for Synthetic Rice Mills by System at Assumed Utilization .....	205

LIST OF APPENDIX TABLES

Table		Page
5.1	Change in Returns from Change in Head and Broken Rice, and Fine and Coarse Bran .....	206
5.2	Benefit per ton of Paddy Milled from Installing Rubber Rollers in Place of the Disc Husker .....	207
5.3	Wearout Cost of Rubber Rolls per ton of Paddy Milled .	207
5.4	Cost of Engine Investment and Monthly Engine Fixed Cost .....	208
5.5	Monthly Variable Cost of the Engine .....	209
5.6	Sample Provinces and Sample Size for Conveying Study .	210
5.7	Cost of Investment and Number of Workers Required to Convey Paddy from Boat to Paddy Warehouse at the Conveying Rate of 40 tons/hr/60 meters .....	211
5.8	Cost of Investment and Number of Workers Required in Paddy Conveying from Truck to Paddy Warehouse at the Conveying Rate of 20 tons/hr/20 meters .....	212
5.9	Cost of Investment and Number of Workers Required to Convey Paddy from Warehouse to the Milling Machine at the Conveying Rate of 20 tons/hr/20 meters .....	213
5.10	Cost of Investment and Number of Workers Required to Convey Milled Rice Sacks from Warehouse to Boat at the Conveying Rate of 400 sacks/hr/40 meters .....	213
	Bibliography .....	214
