

ACKNOWLEDGEMENT

I wish to express my heartfelt gratitude and sincerest appreciate to my advisor, Asst. Prof. Dr. Virote Boonyapinyo, for his expert guidance, valuable suggestion, constructive criticism and friendly decision throughout our study.

I also wish to express my deepest gratitude to Dr. Nakhorn Poovarodom who serves as the committee as well as Prof. Dr. Hiroki Yamaguchi and Dr. Tospol Pinkaew who serve as my external committee, for valuable and kind advice and suggestions of our study.

Sincerely appreciates are extended to Dr. Pennung Warnitchai for his grateful advice in the early period of my study.

I am deeply grateful to secretaries of the department of civil engineering for their kind help. And also special thanks for SIIT library staffs for their kind cooperation.

I special thanks to Miss Lalana Kongsukprasert and my friends for their appreciated encouragement, friendship and necessary help.

Grateful acknowledgement is due to SIIT civil members and SIIT English training unit members for their comments during the period of my research.

I also sincerely thank to Mr. Polapat Surabote and Mr. Paul Hinshaw for their invaluable suggestion

The moral support and friendly environment given by my friends who make my life at SIIT happier are sincerely thanks by me.

Finally, I would like to dedicate this whole work to my loving parents who are always a constant source of inspiration and guidance of me.
