Biography

Miss. Ma Tin Mon Mon Swe received the B. Eng in Communications Engineering in 2006 and currently studying the M.Sc in School of Information, Computer and Communications Technology, Sirindhorn International Institute of Technology, Thammasat University. She worked as a teaching assistant in Digital Circuit Laboratory, Basic Electrical Engineering Laboratory, Computer Graphics and Tools in Electrical Engineering Laboratory and Basic Electromechanical Energy Conversion Laboratory from 2006 to 2009. Her research interest includes digital image processing, computer vision and object recognition.
